

Thyroid Cancer Survivors...

UNIVERSITY OF
CALGARY

How are you doing?

A team of clinical researchers and thyroid cancer survivors are looking into thyroid cancer patient experiences, treatment satisfaction, and opportunities to improve thyroid cancer care for future patients.

CAN YOU HELP?

Fill in the survey...

We're asking thyroid cancer survivors at any point in their journey to answer a few questions about care experiences, treatment satisfaction, and working with your care team.

Find out more...

Not sure? That's ok! We have a web page at the University of Calgary where you can find out more and get in contact with our research team with any questions you might have.
